YWC
—— Your Wise Choice ——

Kitchen Appliances Catalogue 2026

Established in 2014, YWC Appliances specializes in manufacturing and product developing of blenders, food processors, stand mixers, juicers and other kitchen appliances. Our products have won a solid reputation in the markets of Europe, America, Africa and Asia.

Based in Jiangmen City, Guangdong China, YWC Appliances has become an advanced manufacturer since inception in 2014. We have expanded into an integrated product and service supplier with well-managed departments of R&D, engineering, mould injection, silk print, assembly, quality control and marketing. We have grown and thrived with 500 employees, a total area of 65,542 m², 8 production lines, 5 silk print lines, 6 CNC machines, 2 EDM and 4 Mirror EDM (Mirror Electrical Discharge Machining).

As a leading enterprise, we value integrity, credibility and quality in everything we do. We have won trust of customer by following our belief of “Strive for customer satisfaction, Persist for perfection”. Guided by the vision of “being practical, efficient, passionate and innovative”, we aim to fulfill customer expectation with inspiring concepts to create a bright and promising future.

QUALITY

High material quality of YWC products guarantee long service life and ensure that you joy many years have at their reliable kitchen helpers.

DESIGN

YWC products are characterized by a simple , clear and modern design.
This also means long life of high quality and durable product quality.

YB-P26/YB-P26EK Power Blender

Product Description

- 2.0L large-capacity blending jar with safety lock(NEW GS approval EK1)
- Deluxe stainless steel body
- Powerful 2000 watt and 33000 rpm motor
- Constant speeds system makes the performance more stable and lasts longer
- Variable Speeds operation with 3 program settings (smoothie, ice and sauce)
- Science fiction Blue LED indicator
- Approval: ETL CB/CE/GS ERP PAHs RoHs LFGB REACH DGCCRF

- 2L BPA Free Tritan Co-polyester jar

- Pushing rod

- 2L BPA Free Tritan Jar

- 2.5L Processor Bowl

YB-P28/YB-P28EK

Product Description

- 2.0L large-capacity blending jar
- Jar lid with safety locked(NEW GS approval-EK1)
- Plastic body with touchscreen for pre-set programs
- Powerful 2000 watt and 33000 rpm motor
- Constant speeds system makes the performance more stable and lasts longer
- Variable Speeds operation with 4 program setting (smoothie, juice, ice crush, frozen dessert)
- Science fiction White LED indicator
- Approval: ETL CB/CE/GS ERP PAHs RoHs LFGB REACH DGCCRF

- 2L BPA Free Tritan Jar

- 2.5L Processor Bowl

YB-P30/YB-P30EK

Product Description

- 2.0L large-capacity blending jar
- 2000W full copper motor, 33,000 RPM
- 6-blade stainless steel cyclone cutter
- 7 program settings with digital control panel (Soft Fruit, Hard Fruit, Smoothie, Ice, Sauce, Whipping, Cleaning)
- Constant-speed stability system
- Deluxe plastic housing
- Metal driving coupling

- 2L BPA Free Tritan Jar

- 2.5L Processor Bowl

YB-P32

Product Description

- 2.0L large-capacity blending jar
- 2000W full copper motor, 33,000 RPM
- 6-blade stainless steel cyclone cutter
- 7 program settings with digital control panel (Soft Fruit, Hard Fruit, Smoothie, Ice, Sauce, Whipping, Cleaning)
- Constant-speed stability system
- Deluxe plastic housing
- Metal driving coupling

- 2L BPA Free Tritan Jar

- 2.5L Processor Bowl

- 900 ml capacity Tritan portable bottle

Blender

Product Description

- Power: 550W / 300W
- 1.5L capacity Blending Jar(Material:PS/AS/PC unbreakble is available)
- Deluxe SS decaration panel
- 4 Speeds with Pulse function
- Thermostat(over heating protection) or Thermofuse is optional
- Noiseless extracting while operating
- Approval: CB CE/GS ERP PAHs RoHs LFGB REACH DGCCRF

- 1.5L capacity Blending Jar
(Material: PS/AS/PC unbreakable is available)

- Milling Grinder cup

- 1.7L Glass cup
- Stainless steel chopping blade
- 2 speed with press starting

YC-301 CITRUS JUICER

Product Description

- Power: 100W
- Deluxe Stainless Steel body housing
- Stainless Steel Sieve and Spout with Anti-Drip function(Only for YC-301S)
- Automatic switch design
- Cone-shaped squeezer and dust cover
- Noiseless extracting while operating
- All detachable parts for easy cleaning
- Approval: CB CE/GS ERP PAHs RoHs LFGB REACH DGCCRF

YC-302 CITRUS JUICER

Product Description

- Power: 100W
- Deluxe S/S body decoration
- Transparent 1.7L capacity jar(1.5L useful)
- Big and small cone design for different fruits
- Jar and base detachable design
- Noiseless extracting while operating
- Approval: CB CE/GS ERP PAHs RoHs LFGB REACH DGCCRF

YB-A02 Sport Blender

Product Description

- 550W power motor
- 2 in 1 sport blender & Multifunction chopper
- ONE Power Pod, TWO Appliances**
- Approval: CB CE/GS ERP PAHs RoHs LFGB REACH DGCCRF

A Multifunction food processor

- Chop, blend, grate, grind, make dough and mix-all in one bowl super 4 blade knife with very good performance for frozen Blending

- 1300ml big capacity bowl

- Mini Grinding cup

B Sport blender

- 600ml Sport blending cup: blending frozen smoothies or quickly prepare food in seconds

- 600ml Sport blending cup

- 400ml Sport blending cup

STRATEGIC SOLUTIONS

Global Perspective, Local Resources.

More than supplying premium appliance, YWC supports your success in local market. We provide a complete supply chain system allowing "Plug and Start" convenience from breakdown parts (CKD/SKD) to industrial facilities that support your local assembly lines.

What We Sell?

Phase-by-Phase Solutions
5 STEP

1

CONCEPT & TOOLING OUTPUT

Customized industrial designs, high-precision injection molds, and technical blueprints.

2

PRODUCTION LINE & EQUIPMENT SUPPLY

Assembly line workstations, specialized testing equipment (Torque testers, Hi-pot testers), and life test frames.

3

CKD/SKD COMPONENT KITS

High-performance DC/AC motors, control PCBA boards, stainless steel bowls, and housing parts.

4

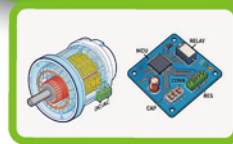

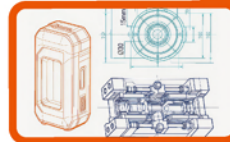

PILOT RUN & STAFF EMPOWERMENT

SOP (Standard Operating Procedure) manuals, technical training workshops, and on-site engineering advisory.

5

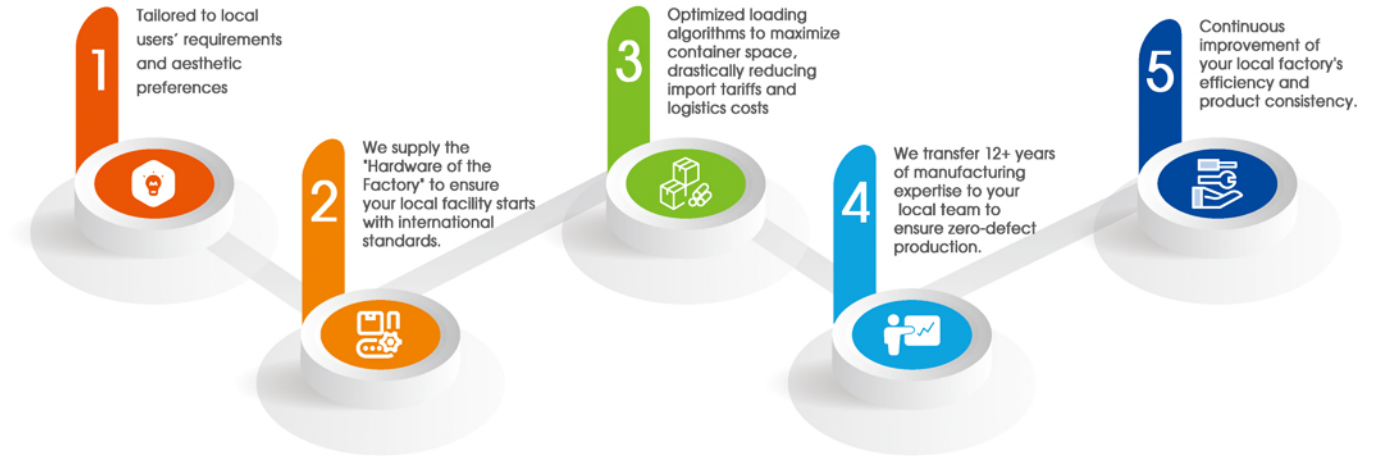

LIFELONG QUALITY STEWARDSHIP

QC auditing systems, spare parts supply chain, and lifelong technical cloud support.

Core Value

Your One-Stop Solution Provider Amid "Glocalization"

Why Choose YWC One-Stop Model?

- **Lower Tariffs:** Import parts (CKD) instead of finished goods to save 15-40% in duties.
- **Faster ROI:** Rapidly set up local production with our proven equipment and blueprints.
- **Brand Ownership:** Build your local brand's reputation with YWC's industrial-grade quality.
- **Manufacturing Base:** 65,000 m².
- **Compliance:** ISO9001, BSCI, CB, CE, RoHS, GS, ETL.
- **Reach:** Powering brands in 100+ countries.
